# **PRAYER WEB**

JULY - DECEMBER  
2020

## **MSL VISION**

A God centred and dynamic mission support movement committed to the wholistic transformation of peoples of the world.

## **MISSION STATEMENT**

To raise prayer, financial, material and other resources for all aspects of missions, through the mobilization of the Church for the salvation of nations.

## **THE STRATEGY**

The objectives of MSL are discharged through the establishment of Chapters which are clusters of Christians from different local churches coming together to fulfill the common goal of reaching the nations through missions support. Every MSL Chapter adopts a mission field for focus and establishes a strategic partnership with the missionaries working among a particular unreached people group in order to serve as a sending team for the purpose of making Jesus Christ known, worshipped, followed and glorified among the people group.

This partnership arrangement is implemented through the provision of financial/material support and an adequate prayer back-up for the missionaries and the work. Field visits are also undertaken by MSL Chapter members to enable them have a first hand knowledge of field ministry. Chapter members also provide care and hospitality to missionaries.

### FROM THE INTERNATIONAL DIRECTOR

Beloved Saints of God I join you to raise our voices in deep appreciation to God for sustaining us and our families through the turbulent circumstances and situations of 2020.

God's grace and faithfulness kept us through the Covid 19 saga and other challenges and tests of our faith in God and His word. In all of them we came out victorious as promised us in the infallible Scriptures, "But thanks be to God! He gives us the victory through our Lord Jesus Christ" 1 Corinthians 15:57 (NIV).

Let me remind us that Jesus Christ is in the 'boat' with us in every challenge we find ourselves as believers and this should keep us confident and energized in our task of evangelizing the nations of the earth through missions support on the MSL platform.

Merry Christmas to you and praying you also have a fruitful and God glorifying 2021.

By His grace, the Church of Jesus Christ as one Body is marching on and the gates of hell shall not prevail against us: "For everyone born of God overcomes the world. This is the victory that has overcome the world, even our faith" 1 John 5:4 (NIV).

Have a glorious 2021 to God's glory!
